

## Working together...

Since its founding in 1971, the members of the Friends of the Oceanside Public Library have worked tirelessly to support and promote the services and resources of the Oceanside Public Library through community involvement, volunteer activities, and fundraising.

The Oceanside Public Library Foundation, established in 2003, seeks to encourage gifts and bequests to ensure continuing excellence of public library service now and in the future through private fundraising and growing an endowment for ongoing support of the Library.

Together, the Friends and the Foundation work to build a public library that enriches the lives of the residents of Oceanside through education, cultural arts, literacy, and reading enjoyment.
